

# **Bernd Ogradnik**

- Master Puppeteer, Puppet builder and Artistic Director of

## **“Worlds of Puppets”**

With a formal background in classical music and fine woodworking, Bernd Ogradnik has been a prominent figure in the world of Puppetry since 1986. He is the Artistic Director and Co-founder of Worlds of Puppets and serves as Master Puppeteer for the National Theater of Iceland. He has toured all over Europe, Middle- and North America, the Middle East, Africa and Asia as a performer, director and lecturer at International (Puppet-) Theater Festivals, Universities and Conferences.

Bernd has been performing, directing and creating Marionettes, Puppets, and Masks for various Theaters and Operas around the world, for Collectors and Museums, Commercials, TV and Film.
